Hey there. Sorry about the drama. It was... it was an emotional decision, and I didn't

Poppets. Puppets. Poppet puppets. Scary.

For maximum data existentialization!

I think I have a new career objective for the top of my resume. Thanks.

So far, I have Done Science To:

the Waldorf Astoria (location to be disclosed), my friend  maxmelig, nigh unto a company of BattleTech minis, and 17 sprues of Warhammer Dwarfs.

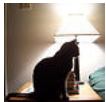

SCIENCE! And Dresden Codak. Loving like a lovely thing full of love.

I saw that. On teevee. When I was five. I totally didn't get any of the jokes then.

... That was Kermit's voice. Wasn't it.

True that. So very true.

<very much *not* going to listen to "A Frog and His Boy" now. nope. not gonna do it.>

OK, finally watched it.

Full of cool. Got my mind off of some scary health stuff of my own.
